

## February 21, 2016 Message Discussion Questions

1. Review Genesis 1.1, and the main ideas of the message together:
  - What do you remember?
  - What stood out to you?
  
2. Something mentioned at the beginning of the message was that “sometimes familiarity can overshadow things that should ‘wow’ us in life.” As a group discuss other areas in life where that may easily happen.
  - How might you keep a right perspective in some of those areas (especially when it comes to things with God)?
  
3. On a scale from 1-12, how hard is it for you to believe that God created ALL things?
  - Do you struggle with how evolution science comes in?
  - Do you ever question how everything fits together?
  
4. Read Psalm 19.1-4
  - What does it mean for creation to declare God’s glory?
  - What does it look like for us to live a life where as God’s creation we declare his glory?
  
5. Read Psalm 33
  - What do you think the main idea of this Psalm is?
  - How do you think it connects the concepts of God’s sovereignty (control) and his creating of the world? (point to verses)
  
6. (if you’re comfortable sharing) What is 1 area in your life you need to trust God more in?
  - How might you do that?
  - How can others be praying for you?
  
7. What are some ways you can be more intentional about praising God for his creation this week?
  - As a group can you point to things right now that deserve thanks to God for creating them?
