## *June 10<sup>th</sup> Discussion Questions - Genesis 42-44*

1. Review the events of Genesis 42-44 together. (If you need to have a Bible handy to remind you, grab one!)
2. Everybody share:
  - a. What part of the story stands out to you the most and why?
  - b. What do you think is the lesson here that God really wants us to see?
3. What's one area in your life that you think God might be working on "changing" right now? Why do you think that?
4. Like Joseph does with his brothers, is there anyone IN YOUR LIFE where God might use YOU to help THEM change? Why do you think that?
5. What's one thing you'll do this week to respond to God's Word here?
6. Pray with each other before you're done!
